

SIERRA ELECTRIC COOPERATIVE, INC.

MEMBER NEWSLETTER May 2011

“The greatest glory of a free-born people is to transmit that freedom to their children.” – William Havard

MEMORIAL DAY SALUTE

Every May, our country takes a holiday to commemorate the sacrifices of many in the name of the freedoms we enjoy every day. Sierra Electric Cooperative would like to extend its appreciation to all who have given so much. Veterans of all the wars this country has fought are familiar with the pride of service and duty. The principles of this nation, which many have died for, are the underlying principles of the rural electric cooperative movement. Working together, neighbors across this country have built an electric distribution system that positively contributes to rural America. And, it extends further than that. As rural America became electrified, its products could more easily be transported to and enjoyed by those in rural areas.

**SIERRA ELECTRIC WILL BE CLOSED MONDAY, MAY 30, 2011
IN OBSERVANCE OF MEMORIAL DAY.**

“Let every nation know, whether it wishes us well or ill, that we shall pay any price, bear any burden, meet any hardship, support any friend, oppose any foe to assure the survival and success of liberty.” – John F. Kennedy
