

THE RESTATED BYLAWS
OF
SIERRA ELECTRIC COOPERATIVE, INC.
(A New Mexico Non-Profit Cooperative Corporation)

INTRODUCTION

NAME AND OFFICE

NAME OF THE COOPERATIVE - The name of the Cooperative will be **SIERRA ELECTRIC COOPERATIVE, INC.**, a not-for-profit Cooperative Corporation.

PRINCIPAL OFFICE - The principal office of this Cooperative will be located in Sierra County, in the State of New Mexico.

REGISTERED OFFICE - The registered office of the Cooperative, required by the Non-Profit Corporation Act of New Mexico (Chapter 53, Article 8 NMSA 1978) ("Act") to be maintained in the State of New Mexico, may be, but need not necessarily be, identical with the Cooperative's principal office in the State of New Mexico, and the address of the registered office may be changed from time-to-time by the Board of Trustees.

PURPOSES, MISSION, AND COOPERATIVE PRINCIPLES

NONPROFIT COOPERATIVE - The Cooperative is organized as a nonprofit Cooperative in accordance with the Non-Profit Corporation Act of the State of New Mexico, as amended (the "Act"). The Cooperative shall at all times be operated on a Cooperative non-profit basis for the mutual benefit of its members. No interest or dividends shall be paid or payable by the Cooperative on any capital furnished by its patrons.

SEC COMMITMENT TO QUALITY – SEC's commitment to quality is to:

- Encourage the wise use of our energy resources
- Reference "The Seven Cooperative Principles" as our guide to do our business
- Operate our business in a financially sound manner
- Hold ourselves accountable to the highest standard for employee and public safety and security
- Perform our work in a manner that is environmentally and socially acceptable

COOPERATIVE PRINCIPLES – SEC is guided by the seven Cooperative principles established by the General Assembly of the International Cooperative Alliance:

1. **Voluntary and Open Membership.** Cooperatives are voluntary organizations, open to all persons able to use their services and willing to accept the responsibilities of membership, without gender, social, racial, political, or religious discrimination.
2. **Democratic Member Control.** Cooperatives are democratic organizations controlled by their members, who actively participate in setting their policies and making decisions. Representatives are elected from the Cooperative membership to serve on the Board of Trustees. At Sierra Electric Cooperative, members have equal voting rights, with one vote per member.
3. **Member Economic Participation.** Members contribute equitably to and democratically control the capital of their Cooperative. At least part of that capital is usually the common property of the Cooperative. They usually receive limited compensation, if any, on capital subscribed as a condition of membership. Members allocate surpluses for any or all of the following purposes: developing the Cooperative, possibly by setting up reserves, part of which at least would be indivisible;

benefiting members in proportion to their transactions with the Cooperative; and supporting other activities approved by the membership.

4. **Autonomy and Independence.** Cooperatives are autonomous, self-help organizations controlled by their members. If they enter into agreements with other organizations, including governments, or raise capital from external sources, they do so on terms that ensure democratic control by their members and maintain their Cooperative autonomy.
5. **Education, Training, and Information.** Cooperatives provide education and training for their members, elected representatives, managers, and employees so they can contribute effectively to the development of their cooperatives. They inform the general public, particularly young people, and opinion leaders, about the nature and benefits of cooperation.
6. **Cooperation Among Cooperatives.** Cooperatives serve their members most effectively and strengthen the Cooperative movement by working together through local, national, regional, and international structures.
7. **Concern for Community.** While focusing on member needs, cooperatives work for the sustainable development of their communities through policies accepted by members.

NONDISCRIMINATION POLICY STATEMENT - The Cooperative and its Board of Trustees will not practice or permit any unlawful discrimination on the basis of race, ethnicity, color, religion, sex, sexual orientation, or any other basis protected by applicable federal, state, or local law or ordinance or regulation.

THESE RESTATED BYLAWS (“Bylaws”) dated as of the ____ day of _____, in the year 2023, set forth the Bylaws of the **SIERRA ELECTRIC COOPERATIVE, INC.**, a New Mexico nonprofit Cooperative Corporation (herein “Cooperative,” or “SEC”), which will become effective when duly adopted by the Membership, and the Board of Trustees.

ARTICLE I **MEMBERSHIP**

Section 1.1. QUALIFICATIONS AND OBLIGATIONS - Any person, firm, corporation, or body politic may become a member in Sierra Electric Cooperative by:

- (a) Agreeing to purchase from SEC electric energy or, if not connected to SEC’s electric distribution system, the other services that the Board of Trustees determines to offer on a membership basis as hereinafter specified; and
- (b) Agreeing to comply with and be bound by the Articles of Incorporation of SEC and these Bylaws and any amendment thereto and such policies, rules and regulations as may from time-to-time be adopted by the Board of Trustees.

No person, firm, business, corporation, or body politic may own more than one (1) membership in SEC. An application for membership of any person who is legally married shall automatically be deemed and become an application for membership by both spouses as joint members without further action of either spouse unless at the time of application for membership either spouse otherwise directs SEC in writing.

Section 1.2. JOINT MEMBERSHIP – No more than two (2) persons residing together may jointly become a member and their application for a joint membership may be accepted in accordance with the provisions of these Bylaws. The joint membership shall be deemed to be one (1) member by the Cooperative and shall be treated as one (1) membership for all purposes.

A member may apply at any time for conversion to a joint membership (limited to two persons only) subject to compliance with the requirements set forth in this Article. The term joint membership shall be deemed to be joint tenancy with full rights of survivorship as authorized by laws of New Mexico, except as restricted herein, including the limitation that a joint membership is limited to two (2)

persons only. Any provisions relating to the rights and liabilities of membership shall apply equally with respect to the holders of a joint membership. For joint membership, the following rules shall apply:

- (a) the presence at a meeting of either joint member shall be regarded as the presence of one (1) member, and of constituting a joint waiver of notice of the meeting.
- (b) the vote of either joint member shall constitute one (1) vote; no split vote shall be permitted.
- (c) a waiver of notice signed by either joint member shall constitute a joint waiver.
- (d) notice to either joint member shall constitute notice to both joint members.
- (e) expulsion or withdrawal of either joint member shall terminate the membership.
- (f) either but not both joint members may be elected or appointed as an officer or Trustee, subject to the qualifications for such office stated in these Bylaws; and
- (g) the joint member continuing to receive electric service shall be considered as an individual member upon notification of death, divorce or legal separation, or legal conclusion of the relationship of those named in a joint membership.

Section 1.3. CONVERSION OF MEMBERSHIP - A membership may be converted to a joint membership upon the written request of the holder thereof subject to the Articles of Incorporation, Bylaws and rules and regulations adopted by the Board of Trustees. If approved, the outstanding membership certificates shall be surrendered, and shall be reissued by the Cooperative in such manner as shall indicate the changed membership status.

- (a) An existing single membership may be converted to a joint membership between no more than two (2) persons residing together at the written request of the holder thereof and the agreement by such holder and the other person seeking joint membership to comply with the requirements of this Article. The membership shall be amended by adding the names of the two (2) joint members, the capital credit account shall likewise be amended to add the names of the two (2) joint members, and the pre-existing membership and capital credit account shall continue as a joint membership account.
- (b) The subsequent legal marriage of any existing member shall automatically be deemed and become a joint membership without further action of either spouse unless within 30 days after the date of marriage, either spouse otherwise directs SEC in writing. Immediate family members other than spouses, such as parent/child and siblings, may also apply for a joint membership, provided such joint members likewise agree to comply with the provisions above.
- (c) When a membership is held jointly by two (2) people, upon the death of a joint member, such membership shall be deemed to be held solely by the survivor with the same effect as though such membership had been originally issued solely to them and the joint membership shall be changed to the survivor; and upon the recording of such death on the books of the Cooperative, the surviving person shall become the member, provided, however, that the estate of the deceased shall not be released from any membership debts or liabilities to the Cooperative.

Section 1.4. NONDISCRIMINATION - Membership in SEC shall be upon the basis of the following principles:

- (a) Open membership without discrimination within the area or territory within which SEC has undertaken to render services to its members.

Section 1.5. RETENTION OF COOPERATIVE STATUS - Nothing contained herein shall be construed to require SEC to render service at any time to any person who has not applied for membership.

Section 1.6. PURCHASE OF ELECTRIC ENERGY - Each member who is or desires to be connected to SEC's electric distribution system shall, as soon as electric energy is available, obtain from SEC the electric energy purchased on the premises specified in their application for membership, and shall pay therefor

at rates which shall from time-to-time be fixed by the Board of Trustees and when required approved by SEC's regulators, including amounts necessary to maintain service availability, regardless of the amount of electric energy actually consumed.

Production or use of electric energy on such member's premises, regardless of the source thereof, by means of facilities which shall be interconnected with SEC facilities, shall be subject to applicable federal, state, and local regulations as well as such appropriate policies as shall be determined from time-to-time by SEC. It is expressly understood that amounts paid to SEC for electric energy in excess of the cost of service, are furnished by members as capital, and each member shall be credited with the capital so furnished as provided in these Bylaws.

Each member shall also pay all amounts owed by them to SEC as and when the same shall become due and payable. The Cooperative may charge interest or late fees on any past due amount up to the maximum legal rate. When a member has more than one (1) service connection from the Cooperative, any payment by such member for service from the Cooperative may, at the Cooperative's option, be allocated and credited to all of the members' outstanding accounts proportionately.

SEC will use its best efforts to furnish adequate and dependable electric service, although it cannot and therefore does not guarantee a continuous adequate and uninterrupted supply of electricity.

Section 1.7. EXPULSION OF MEMBERS - The Board of Trustees of SEC may, by the affirmative vote of the members thereof, expel any member who shall have been determined to have intentionally or acting with gross negligence violated or refused to comply with any of the provisions of the Articles of Incorporation of SEC or these Bylaws or any rules or regulations adopted from time-to-time by the Board of Trustees. Such determination shall be made in accordance with a procedure established by policy of the Board of Trustees and only after affording the member subject to expulsion the opportunity to know and address the allegations of intentional misconduct or gross negligence.

Section 1.8. SUSPENSION AND REINSTATEMENT OF MEMBERSHIP – In accordance with applicable state laws and regulations, any member may have their electric service terminated and shall be deemed a suspended member for any of the following events:

- (a) failure to pay any amounts due the Cooperative.
- (b) failure to comply with electric service contracts or other documents governing such electric service.
- (c) upon discovery of any tampering or other interference with the Cooperative's electric service.
- (d) upon discovery of any imminent hazard or danger to Cooperative equipment or others.
- (e) failure to comply with membership obligations; or
- (f) any other reason permitted by law or regulation.
- (g) any member deemed a suspended member is not eligible to vote at membership meetings or be entitled to electric service.

Membership suspensions may be immediate without providing notice for: (a) tampering, (b) imminent hazard, or (c) other suspensions pursuant to Cooperative policies of general application and as provided for by law. A suspended member will be provided opportunity to comment or correct the reason of suspension.

If the Cooperative determines a suspension reason requires notice, the member shall receive such notice as established by Cooperative Bylaws or policies and that member has five (5) days after the date of notice to comment upon the suspension reason. Then, unless otherwise determined by the Board in good faith, the member is suspended.

Upon a member's suspension, except for the Cooperative's obligation to retire and refund capital credits and obligations regarding dissolution, the Cooperative's duties, obligations, and liabilities imposed by

these Bylaws cease and the Cooperative may cease providing any Cooperative service to the suspended member; such suspended member forfeits and relinquishes any voting rights or the member rights provided in these Bylaws.

Section 1.9. TRANSFER AND TERMINATION OF MEMBERSHIP -

- (a) Membership in SEC shall not be transferable, except as hereinafter otherwise provided. Upon the death, cessation of existence, expulsion or withdrawal or disconnection of service of a member without stated intention of reconnection within one (1) year, the membership of such member shall thereupon terminate. Termination of membership in any manner shall not release the member from the debts or liabilities of such member to SEC.
- (b) A membership may be transferred by a member to themselves and their spouse or other joint member, as the case may be, upon the written request of the joint members. Requests for a transfer of a corporate, political, or other non-individual membership shall be made by the designated and authorized agent of such corporation, political body, or other business entity. Any transfer hereunder shall be noted on the books of SEC.

ARTICLE II

RIGHTS, OBLIGATIONS, RESPONSIBILITIES AND LIABILITIES OF MEMBERS

Section 2.1. CONTRACT OF MEMBERSHIP - The members and patrons of the Cooperative, by purchase of electric energy and other Cooperative products and services, acknowledge that the terms and provisions of the Articles of Incorporation and Bylaws constitute a contract between the Cooperative and each member and both the Cooperative and the member are bound by such contract, and other governing documents, as fully as though each member had individually signed a separate instrument containing such terms and provisions by the purchase of electric energy and other Cooperative services.

Section 2.2. PROPERTY INTEREST OF MEMBERS - Upon dissolution, after

- (a) All debts and liabilities of the Cooperative shall have been paid, and
- (b) All capital furnished through patronage shall have been retired as provided in these Bylaws, the remaining property and assets of the Cooperative shall be distributed among the members and former members in the proportion which the aggregate patronage of each bears to the total patronage of all members during the seven (7) years next preceding the date of the filing of the certificate of dissolution, or, if the Cooperative shall not have been in existence for such period, during the period of its existence.

Section 2.3. NON-LIABILITY FOR DEBTS OF SEC - The private property of the members of SEC shall be exempt from execution for the debts of SEC and no member shall be individually liable or responsible for any debts or liabilities of SEC.

Section 2.4. OFFICIAL PUBLICATION - The Board is hereby authorized to subscribe from the revenues from each member, the amount necessary to pay for the official publication or other publications as selected by the Board. The Cooperative newsletter, or inserts shall be designated as the official publication for legal notice and communication to members.

Section 2.5. MEMBER GRANT OF PROPERTY RIGHTS -

- (a) **Easement and Rights of Way:** Each member shall, upon being requested to do so by the Cooperative, execute and deliver to the Cooperative grants of Easement or Right-of-Way over, on and under such lands owned or leased by or mortgaged to the member, and in accordance with such reasonable terms and conditions, as the Cooperative shall require for the furnishing of electric service to them or other members for the construction, operation, maintenance or relocation of the Cooperative's facilities.

- Each member shall make available to the Cooperative a suitable site, as determined by the Cooperative, whereon to place the Cooperative's physical facilities for the furnishing and metering of electric service and shall permit the Cooperative's authorized Employees, Agents and Independent Contractors to have access thereto for meter reading and for inspection, maintenance, replacement, relocation or repair of such facilities at all reasonable times.
- As part of the consideration for such service, each member shall be the Cooperative's bailee of such facilities and shall accordingly desist from interfering with, impairing the operation of or causing damage to such facilities, and shall use their best efforts to prevent others from so doing.
- Each member shall also provide such protective devices to their premises, apparatuses or meter base as the Cooperative may from time-to-time require in order to protect the Cooperative's physical facilities and their operation and to prevent any interference with or damage to such facilities.
- In the event that such facilities are interfered with, impaired in their operation or damaged by the member, or by any other person when the member's reasonable care and surveillance should have prevented such, the member shall indemnify the Cooperative and its Employees, Agents and Independent Contractors against death, injury, loss or damage resulting therefrom, including but not limited to, the Cooperative's cost of repairing, replacing, or relocating any such facilities and its loss, if any, of revenues resulting from the failure or defective functioning of its metering equipment.
- In no event shall the responsibility of the Cooperative extend beyond the Point of Delivery.

(b) **Other Rights and Covenant of Cooperation:** Each member shall upon request of the Cooperative grant such rights and cooperate as reasonably necessary to facilitate the Cooperative to safely, reliably, and efficiently operate the Cooperative's electric system or provide any Cooperative service.

Section 2.6. In addition, the Cooperative may prescribe such additional requirements for wiring standards as the Cooperative reasonably deems appropriate. Failure to abide by all standards and codes referenced in this section shall be a basis for disconnection of service pursuant to policies of the Cooperative set from time-to-time by the Board of Trustees.

Section 2.7. LIMITS OF RESPONSIBILITY - Each member shall indemnify the Cooperative for, and hold the Cooperative harmless from, any expenses, costs, liabilities, or damages, including reasonable attorney fees and legal expenses, incurred by the Cooperative, or by any Cooperative Trustee, officer, employee, agent, representative, or contractor, because of any property damage, personal injury, or death resulting from the member's intentional misconduct or negligence or failure to comply with the governing documents. Each member shall be responsible for and shall indemnify the Cooperative and its Employees, Agents and Independent Contractors against death, injury, loss, or damage resulting from any defect in or improper use or maintenance of such premises and all wiring and apparatuses connected thereto or used thereon.

The Cooperative's responsibility for wiring shall terminate at such point as the Cooperative reasonably determines.

Section 2.8. Section 2.10. ARTICLE III **MEETINGS OF MEMBERS**

Section 3.1. ANNUAL MEETING – The Annual Meeting of the members shall be held once each year at such place and at such time, as shall be designated by the Board of Trustees in the Notice of Meeting, for the purpose of passing upon reports covering the previous calendar year, ratifying the newly elected Trustees, and transacting such other business as may come before the meeting. The Board of Trustees may in its discretion, determine to cancel or postpone the Annual Meeting if it is deemed to be in the public interest during circumstances beyond the reasonable control of the Board or the members. Failure to hold the Annual Meeting shall not cause a forfeiture or a dissolution of SEC.

Section 3.2. SPECIAL MEETINGS - Special Meetings of the members may be called by the President or by a two-thirds majority of the Board of Trustees or upon a written request signed by at least ten per centum (10%) of all the Cooperative members in good standing, and it shall thereupon be the duty of the President to call such meeting and to cause notice of such meeting to be given as hereafter provided. Special Meetings of the members may be held at any place within one (1) of the counties served by SEC in the State of New Mexico, specified in the notice of the Special Meeting.

Section 3.3. NOTICE OF MEMBERS' MEETING - Written or, to the extent allowed by law, electronic notice, stating the place, day and hour of the meeting and, in case of a Special Meeting, the purpose or purposes for which the meeting is called, shall be delivered not less than ten (10) days nor more than thirty (30) days before the date of the meeting, either personally, by mail, or electronically posted to the last known e-mail address of a member, by or at the direction of the President to each member. If mailed, such notice shall be deemed to be delivered when it is deposited or a newsletter or other publication of SEC or of an affiliated organization which includes the notice is deposited in the United States mail, addressed to the member at their address as it appears on the records of SEC, with postage thereon prepaid. If notice is given electronically, the date of delivery shall be the date of posting/transmitting such notice to the last known e-mail address of the member. Proof of such posting/transmission shall be kept by SEC. The failure of any member to receive notice of an Annual or Special Meeting of the members shall not invalidate any action which may be taken by the members at any such meeting.

Section 3.4. QUORUM - The presence of three per centum (3%) of the Cooperative members, at any Annual or Special Meeting of the members shall constitute a quorum. The presence of either or both persons holding a joint membership shall constitute the presence of one (1) member. If less than a quorum is present at any meeting, a two-thirds majority of those present in person may adjourn the meeting without further notice. The minutes of each meeting shall contain a list of the members present in person.

Section 3.5. VOTING - Each member in good standing shall be entitled to only one (1) vote upon each matter submitted to a vote at a meeting of the members. All questions shall be decided by a vote of a 2/3rd majority of the qualified members voting thereon in person, except as otherwise provided by law, the Articles of Incorporation of SEC, or these Bylaws.

Each qualified member shall be entitled to one (1) vote upon each matter submitted to a vote at any meeting of the members. If a member is qualified to vote but is provided services in more than one (1) District, the member may only vote in only one (1) such District. If a member receiving service in more than one (1) District has their residence (as may be defined by the Board) in one (1) of those Districts, they may only vote in that District. If the member's residence is not in any of those Districts, they may elect which District to vote in, however, the member may not change that designation unless and until they no longer receive service in that District. At all meetings of the members at which a quorum is present, all questions shall be decided by a vote of the 2/3rd majority of the members voting thereon at such meeting in person, except as otherwise provided by law, the Articles of Incorporation of SEC, or these Bylaws. Two (2) persons holding a joint membership shall jointly be entitled to one (1) vote and no more upon each matter submitted to a vote at a meeting of the members.

- (a) **Non-Natural Persons:** Members must present evidence satisfactory to the Cooperative that the individual is duly authorized to vote for the non-natural person member.
- (b) **Record Date:** The Board may fix a record date for determining the membership and the members entitled to vote at the membership meeting.

Section 3.6. VOTING LIST - The Cooperative shall make, at least fifteen (15) days before each meeting of the members, a complete list in either electronic or paper form, arranged in alphabetical order, of the members entitled to vote at such meeting and their addresses. The list shall be produced and kept open at the time and place of the meeting and shall be subject to the inspection of any member during the meeting.

Section 3.7. ORDER OF BUSINESS - The order of business at Annual and other meetings of the members shall be as set by the Board of Trustees, unless modified by the affirmative vote of at least two-thirds (2/3) of the members present. All other procedural matters at meetings of the members not addressed by the meeting rules established by the Board shall be governed by the latest edition of Roberts Rules of Order Newly Revised. The order of business at the Annual Meeting of the members, and so far, as possible, at all other meetings of the members, shall be essentially as follows:

- Election of trustees;
- Unfinished business;

Notwithstanding the foregoing, the Board of Trustees or the members themselves may from time to time establish a different order of business for the purpose of assuring the earlier consideration of, and action upon, any type of business other than adjournment of the meeting, to another time and place in the order of business except that no business may be transacted until and unless the existence of a quorum is first established.

Section 3.8. REPORTS - At each Annual Meeting of the members, the Cooperative shall submit reports covering the business of the Cooperative for the previous fiscal year. Such reports shall set forth in summary the condition of the Cooperative at the close of such fiscal year.

Section 3.9. ANNUAL MEETING RULES AND RESOLUTIONS - The Board of Trustees shall establish rules to govern the conduct of that year's Annual Meeting and any Special meetings.

Section 3.10. ELECTION AND CREDENTIALS COMMITTEE – The Board of Trustees shall, at least ten (10) days before any meeting of the members, appoint a Credentials and Election Committee. The Committee shall consist of three (3) members, one (1) from each Trustee District, who are not existing Cooperative employees, agents, officers, trustees, or known candidates for trustees, and who are not close relatives (as hereinafter defined) employees or members of the same household of existing Cooperative employees, agents, officers, trustees, or known candidates for trustee. The Committee shall elect its own chairperson and secretary prior to the member meeting. It shall be the responsibility of the Committee to establish or approve the manner of conducting member registration and any ballot or other voting, to pass upon all questions that may arise with respect to the registration of members in person, to count all ballots or other votes cast in any election or in any other matter, to rule upon the effect of any ballots or other vote irregularly or indecisively marked or cast, to rule upon all other questions that may arise relating to member voting and the election of trustees (including but not limited to the validity of petitions of nomination or the qualifications of candidates and the regularity of the nomination and election of trustees) and to pass upon any protest or objection filed with respect to any election or conduct affecting the results of any election. In the exercise of its responsibility, the Committee shall have available to it the advice of counsel provided by the Cooperative, if necessary. In the event a protest or objection is filed concerning any election, such protest or objection must be filed during, or within three (3) business days following the adjournment of the meeting in which the voting is conducted. The Committee shall thereupon be reconvened, upon notice from its chairperson, not less than seven (7) days after such protest or objection is filed. The Committee shall hear such evidence as is presented by the protestor(s) or objector(s) who may be heard in person, by counsel, or both, and any opposing evidence; and the Committee, by a vote of a majority of those present and voting, shall, within a reasonable time, but not later than thirty (30) days after such hearing, render its decision, the result of which may be to affirm the election, to change the outcome thereof, or to set it aside. The Committee's decision (as reflected by a majority of those actually present and voting) on all matters covered by this Section shall be final.

In the event a protest or objection is filed concerning any election, such protest or objection must be filed within three (3) business days following the adjournment of the meeting in which the election is conducted. The Committee may thereupon be reconvened, upon notice from its Chair, not less than seven (7) days after such protest or objection is filed. The Committee may hear such evidence as is presented by the protestor(s) who may be heard in person, by counsel, or both; and the Committee, by a vote of a 2/3rd majority of those present and voting, shall, within a reasonable time but not later than thirty (30) days after such hearing, render its decision, which may be either to affirm the results of the election or to set aside such election. The Committee's decision (as reflected by a majority of those actually present and voting) on all such matters shall be final.

The failure of the Cooperative or Committee to act as required by this Bylaw shall not, by itself, affect any vote, Trustee election, or other action taken at a member meeting.

ARTICLE IV

BOARD OF TRUSTEES AND DISTRICTS

Section 4.1. GENERAL POWERS OF TRUSTEES - Subject to the limitations of the Articles of Incorporation, other sections of these Bylaws, and New Mexico law, all corporate powers of the Cooperative will be exercised by or under the authority of, and the business and affairs of the Cooperative will be controlled by, the Board of Trustees, except such as are by law or by the Articles of Incorporation of SEC or by these Bylaws conferred upon or reserved to the members.

If for any reason an election of trustees shall not be held at an annual meeting of the members duly fixed and called pursuant to these By-laws, such election may be held at a subsequently held special meeting of the members within that Trustee District or at the next annual meeting of the members, as determined by the Board. Failure to hold an election in a given year shall allow the incumbents whose trusteeships would have been voted on to hold over only until the next member meeting at which a quorum is present.

and which of necessity makes it impracticable to provide the notices required for a Regular or Special Meeting of the Board of Trustees.

Notice and purpose of an Emergency Meeting may be given with as little advance notice as four (4) hours if circumstances reasonably require it. Such notice of an Emergency Meeting may be communicated verbally or in writing and will specify where the meeting is to be held at such a time, day, and place as shall be designated in the notice of the meeting. The Board of Trustees is hereby expressly authorized to make any necessary decisions in connection with a specific emergency situation for which such an Emergency Meeting is convened.

When it can be shown that a quorum was missing for a prior vote by "clear and convincing proof" (such as the record of a roll call listing everyone present at the meeting at that moment), past actions can be challenged.
- b. In the event that a Trustee must leave a Board of Trustees or Committee meeting, the minutes shall record the time when they left the meeting.

The act of the majority of the Trustees present at a meeting at which a quorum is present, unless otherwise provided by law, these Bylaws, or the Articles of Incorporation, shall be the act of the Board of Trustees. If a quorum is not present at a meeting of the Board of Trustees, matters before the Board of Trustees may be discussed, but no business may be transacted on items requiring Board action; and a majority of the Trustees present may adjourn the meeting without further notice.

Section 4.19. MANNER OF ACTING AND VOTING - Unless otherwise specified herein, the decision of the Board of Trustees or the act of a majority of the Trustees present (for those actions called to a vote by the President) at a meeting at which a quorum is present will be the act of the Board of Trustees, unless the act of a greater number is required by law or by these Bylaws or the Articles of Incorporation of the Cooperative. Such approval shall be given only if:

- (a) Each person entitled to participate in the meeting consents to the meeting being held by means of that system; and

Section 4.22. COMPENSATION - Trustees as such shall not receive any stated salary for their service. ARTICLE XI
SEC NON-PROFIT OPERATION

Section 11.1. INTEREST OR DIVIDENDS ON CAPITAL PROHIBITED – SEC shall at all times be operated on a Cooperative non-profit basis for the mutual benefit of its members. No interest or dividends shall be paid or payable by the Cooperative on any capital furnished by its members.

Section 11.2. PATRONAGE CAPITAL IN CONNECTION WITH FURNISHING ELECTRIC ENERGY - In the furnishing of electric energy SEC's operation shall be so conducted that all patrons, alike, will through their patronage furnish capital for SEC. In order to induce patronage and to assure that SEC will operate on a non-profit basis SEC is obligated to account on a patronage basis to all its patrons, for all amounts received and receivable from the furnishing of electric energy in excess of operating costs and expenses properly chargeable against the furnishing of electric energy.

The books and records of SEC shall be set up and kept in such a manner that at the end of each fiscal year the amount of capital, if any, so furnished by each patron is clearly reflected and credited in an appropriate record to the capital account of each patron.

The Board of Trustees, in its sole discretion, may allocate capital credits according to the class of members served based on the cost of service rendered and the rate of return received and paid to SEC for such service.

In the event of dissolution or liquidation of SEC, after all outstanding indebtedness of SEC shall have been paid, outstanding capital credits shall be retired without priority on a pro rata basis before any payments are made on account of property rights of members. If, from time-to-time, prior to dissolution or liquidation, the Board of Trustees shall determine that the financial condition of the Cooperative will not be impaired thereby, the capital credited to member's accounts may be retired in full or in part. The repayment of capital credits pursuant to this provision shall be as determined by the policy of SEC as set from time-to-time by its Board of Trustees.

Capital credited to the account of each patron shall be assigned only on the books of SEC pursuant to written instruction from the assignor and only to successors in interest or successors in occupancy in all or a part of such patron's premises served by SEC unless the Board of Trustees, acting under policies of general application, shall determine otherwise.

Notwithstanding any other provisions of these Bylaws, the Board of Trustees, at its discretion, shall have the power at any time upon the death of any patron if the legal representative of their estate or their heirs shall request in writing that the capital credited to any such patron be retired under the provisions of these Bylaws, to retire capital credited to any such patron immediately upon such terms and conditions as the Board of Trustees, acting under policies of general application, and the legal representatives of such patron's estate or their heirs shall agree upon; provided, however, that the financial condition of SEC will not be impaired thereby. The Board shall have the option to discount the total capital credits in accordance with SEC Board Policy.

Any distribution of proceeds or redemption or retirement of capital which remains unclaimed three (3) years after the date authorized for retirement or payment in cash or other property may be forfeited by the Board and used as a fund for Cooperative education. Any amounts forfeited may revert to SEC for exclusive use in the SEC Cooperative scholarship fund.

Section 11.3. PATRONAGE REFUNDS IN CONNECTION WITH FURNISHING OTHER SERVICES - In the event that SEC should engage in the business of furnishing goods or services other than electrical energy, all amounts received and receivable there from which are in excess of costs and expenses properly chargeable against the furnishing of such goods or services shall, insofar as permitted by law, be pro-rated annually on a patronage basis and returned to those members.

SEC shall account separately for the costs and receipts from its sale of goods and services unrelated to its provision of electric service. In the event that SEC should, in the judgment of the Board of Trustees, engage to a substantial extent in the business of furnishing goods or services other than electric service, all amounts received or receivable therefrom which are in excess of costs and expenses properly chargeable against the furnishing of such goods and services shall, insofar as permitted by law, be allocated and distributed according to policies established by the Board of Trustees.

Section 11.4. UNALLOCATED RESERVES - Notwithstanding anything to the contrary in this Article, the Board of Trustees, in its discretion, may in any year credit to unallocated surplus or reserves of SEC a portion of the net proceeds not exceeding the amount of margins from any subsidiaries of SEC and other non-operating margins, but not including patronage capital from SEC's wholesale power supplier or Cooperative lenders.

Section 11.5. LOSSES: LIEN AND SET OFF -

- (a) **Losses:** In the event the expenses of SEC in the furnishing of any goods or services should in any year exceed the receipts therefor the resulting deficit shall not be charged to the individual patrons furnishing such receipts during such year but shall be reflected in the determination of the book value of any capital credits upon their retirement or upon dissolution of SEC as heretofore provided. However, the Board of Trustees shall apply non-operating margins to the writing off or discharge of losses of deficits before making any other allocation thereof.
- (b) **Lien and Set Off:** SEC shall have a continuing lien against the patronage capital allocated and credited to any patron for any indebtedness due and owing from such patron to SEC and such indebtedness to the extent of such capital so allocated and credited upon which SEC has a lien shall not be extinguished by bankruptcy of said patron or lapse of time, but shall be set-off against any capital allocated and credited to said patron in any retirement thereof made hereunder to said patron or to their estate or heirs or surviving joint member. The patron shall execute such documents as SEC may request to create and preserve this security interest, and the patron authorizes the Cooperative to perfect this security interest by filing a financing statement.

For purposes of this Article, a merger with or consolidation into another rural electric Cooperative association shall not be deemed a sale, mortgage, lease, or exchange. Other provisions of these Bylaws notwithstanding, any repeal, amendment, or alteration of this Article that would result in a change in the member approval requirements for acts described herein, must be approved by at least twenty-five (25%) percent of all members of the Cooperative. The Board of Trustees shall submit any actions referred to in this Article to a mail vote by the members of the Cooperative

The General Manager shall ensure that auditors or lead audit partners are rotated at least every five (5) years. The auditor(s) shall provide disclosure to the Cooperative's General Manager of critical accounting policies and practices and shall advise the Board of Trustees regarding its responsibility to oversee and enforce conflict-of-interest policy. To ensure independence, auditors shall not provide bookkeeping, financial systems implementation, appraisal, or certain other services for the Cooperative.

ARTICLE XIV

LIABILITY AND INDEMNIFICATION OF TRUSTEES AND OFFICERS

Section 14.1. TRUSTEES' LIMITED LIABILITY - A Trustee shall not be personally liable to the Cooperative or to its members for monetary damages for breach of fiduciary duty as a Trustee unless:

- (a) The Trustee has breached or failed to perform the duties of their office in compliance with Section 62-15-9.1, NMSA 1978; and

- (b) The breach or failure to perform constitutes willful misconduct or recklessness.

Section 14.2. OFFICERS AND TRUSTEES' INDEMNIFICATION - Subject to this Article, the Cooperative shall indemnify any person who is or was a Trustee or an elected or appointed officer of the Cooperative and any person who, while a Trustee or officer of the Cooperative, is or was serving at the request of the Cooperative as a director, officer, partner, trustee, employee or agent of another Cooperative or of a foreign or domestic corporation or nonprofit corporation, partnership, joint venture, trust, unincorporated association, other incorporated or unincorporated enterprise or employee benefit plan or trust, and who is made a party to any action, suit or proceeding, civil or criminal, by reason of holding or having held such an office or position.

Section 14.3. EMPLOYEES' AND AGENTS' INDEMNIFICATION - Subject to this Article, the Board of Trustees may indemnify any person other than a Trustee or an officer acting as such who has or had an employment or agency relationship with the Cooperative and who is made a party to any action, suit or proceeding, civil or criminal, by reason of service during the course of such relationship, including service at the request of the Cooperative as a director, officer, partner, trustee, employee or agent of another Cooperative or of a foreign or domestic corporation or nonprofit corporation, partnership, joint venture, trust, unincorporated association, other incorporated or unincorporated enterprise or employee benefit plan or trust.

Section 14.4. INDEMNIFICATION DISQUALIFICATION - The Trustee, officer or other person shall not be indemnified if they shall be adjudged to be liable on the basis that they breached or failed to perform the duties of their office or position and the breach or failure to perform constitutes willful misconduct or recklessness. The Trustee, officer or other person shall, further, not be indemnified in respect to any proceeding charging improper personal benefit to them, whether or not involving action in their official capacity, in which they shall have adjudged to have been liable on the basis that personal benefit was improperly received. There shall be no indemnification of a person other than a Trustee unless the Board of Trustees finds that the indemnitee:

- (a) Acted in good faith
- (b) Reasonably believed that they were acting in the course of their office, employment, or agency and in a manner to be in or at least not opposed to the best interests of the Cooperative; and
- (c) In the case of any criminal proceeding, had no reasonable cause to believe the person's conduct was unlawful.

Termination of any proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent, shall not, of itself, be determinative that the person is disqualified from receiving indemnification.

Section 14.5. INDEMNIFICATION AMOUNT - Indemnification shall be pursuant to this Article, and maybe pursuant to Section 19.3, made against judgments, penalties, fines, settlements and compromises, cost, and expenses, including attorneys' fees, reasonably incurred by or on behalf of the indemnitee in connection with the defense of such proceeding. Reasonable expenses incurred by a trustee, officer or other person who is a party to a proceeding may be paid or reimbursed by the Cooperative in advance of the final disposition of such proceeding if:

- (a) Such person furnishes the Cooperative a written affirmation of their good faith belief that they are not disqualified from receiving indemnification under Section 4 of this Article.
- (b) Such person furnishes the Cooperative a written undertaking by or on behalf of the person to repay such amount if it shall ultimately be determined that they are disqualified or, in the case of a person other than a Trustee or an officer acting as such, not fully indemnified at the Board of trustee's discretion; and
- (c) A determination is made that the facts then known to those making the determination would not preclude indemnification.

Section 14.6. INDEMNIFICATION PROCEDURE - No indemnification under Sections 19.2 and 19.3 of this Article shall be made unless authorized in the specific case after a determination has been made that indemnification is permissible in accordance with the Rural Electric Cooperative Act, or any successor law thereto, and this Article. Such determination shall be made:

- (a) By the Board of Trustees by a 2/3rd majority vote of a quorum of Trustees not at the time parties to the proceeding.
- (b) If such a quorum cannot be attained, by a 2/3rd majority vote of a committee of the Board of Trustees duly designated to act in the matter by a 2/3rd majority vote of the full Board of Trustees, in which designated Trustees who are parties may participate, and consisting solely of two (2) or more Trustees not at the time parties to the proceeding.
- (c) By special legal counsel, selected by the Board of Trustees or a committee thereof by vote as set forth in paragraph (a) or (b) of this Section 19.6 or, if the requisite quorum of the full Board of Trustees cannot be obtained therefor and such committee cannot be established, by a 2/3rd majority vote of the full Board of Trustees, in which selection Trustees who are parties may participate; or
- (d) Pursuant to a resolution of a majority of the members present and voting at any Annual or Special Meeting.

Authorization of indemnification and determination as to the amount shall be made in the same manner as the permissibility determination, except that if the permissibility determination is made by special legal counsel, authorization and amount determination shall be made in a manner specified in subsection (c) of this Section 19.6 for the selection of such counsel.

Section 14.7. EMPLOYEE BENEFIT PLANS - For the purposes of this Article, the Cooperative shall be deemed to have requested a person to serve as a director, trustee, employee or agent of an employee benefit plan or trust whenever the performance of their duties to the Cooperative also imposes duties on them or otherwise involves their services to the plan or trust or the participants or beneficiaries of the plan or trust; excise taxes assessed on them with respect to an employee benefit plan or trust pursuant to applicable law shall be deemed "fines"; and action taken or omitted with respect to an employee benefit plan or trust in the performance of duties for a purpose reasonably believed to be in the interest of the participants and beneficiaries of the plan or trust shall be deemed to be for a purpose which is not opposed to the best interests of the Cooperative and to be neither willful misconduct or reckless.

Section 14.8. INSURANCE AND SIMILAR PROTECTION - The Board of Trustees may purchase and maintain insurance or furnish similar protection, including but not limited to providing a trust fund, a letter of credit or self-insurance, on behalf of any person who is or was a trustee, officer, employee or agent of the Cooperative or who, while a trustee, officer, employee or agent of the Cooperative is or was serving at the request of the Cooperative as a director, officer, partner, trustee, employee or agent of another Cooperative or a foreign or domestic corporation, partnership, joint venture, trust, unincorporated association, other incorporated or unincorporated enterprise or employee benefit plan or trust, against any liability asserted against and incurred by the person in such capacity or arising out of that person's status as such, whether or not the Cooperative could indemnify the person against such liability under the provisions of this Article XIX.

Section 14.9. NON-EXCLUSIVE - The indemnification authorized by this Article VII shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under an agreement approved by the Board of Trustees, a resolution of the members or otherwise, both as to action in an official capacity and as to action in another capacity while holding such office or position, and shall continue as to a person who has ceased to be a trustee, officer, employee or agent and insure to the benefit of their personal representatives and heirs.

Section 14.10. APPEARANCE AS A WITNESS - Notwithstanding any other provision of this Article XIX, the Board of Trustees may authorize the Cooperative to pay or reimburse expenses incurred by an Indemnified

Person in connection with such person's appearance as a witness or other participation in a Proceeding at a time when such person is not a named defendant or respondent in the Proceeding.

Section 14.11. SAVINGS CLAUSE - If this Article, or any portion hereof, will be invalidated on any ground by any court of competent jurisdiction, then the Cooperative will nevertheless indemnify and hold harmless each Indemnified Person as to costs, charges and expenses (including attorneys' fees), judgments, fines, and amounts paid in settlement with respect to any proceeding, to the full extent permitted by any applicable portion of this Article that will not have been invalidated and to the fullest extent permitted by applicable law.

ARTICLE XV MISCELLANEOUS

The Cooperative may upon the authorization of the Board, purchase stock in or become a member of any corporation or organization organized on a non-profit basis for the purpose of engaging in or furthering the cause of rural electrification, or of any other corporation or organization, when in the opinion of the Board such membership will promote the interest of the Cooperative.

RULES OF ORDER - Unless the Board determines otherwise, and to the extent consistent with law, the Articles of Incorporation, and these Bylaws, all member meetings, Board meetings and committee meetings are governed by the fundamental fairness rule with Robert's Rules of Order as a guide only, not the ultimate authority, of such rule.
