

SIERRA ELECTRIC COOPERATIVE, INC.
JOB OPENING

Job Type: Apprentice Lineman
Full/Part Time: Full Time

Primary Duties: Under the direction of the Line Foreman, the Apprentice Lineman will serve as an apprentice in the construction, replacement, and maintenance of electrical distribution lines, structures, and equipment. You will actively engage in an apprenticeship program in order to acquire the skills of a Journeyman Lineman. The selected individual will be enrolled in the apprenticeship program after a six-month introductory period is completed.

Desired Qualifications: Applicants must: have a high school diploma or GED; possess a valid New Mexico CDL driver's license; must be totally committed to safety, quality work, customer service, and teamwork; able to lift and maneuver up to 90 lb. and climb poles up to 100'; perform aerial work in a safety belt in a safe and efficient manner; be able to communicate effectively both orally and written; have basic mathematics skills and strong customer service skills; pass a medical exam including drug screen.

How to Apply: Submit resume and application at 610 Hwy 195, Elephant Butte, New Mexico. Applications are available on our website at www.sierraelectric.org and at 610 Hwy 195, Elephant Butte, New Mexico.

Deadline: Application must be received by 5:00 p.m., Friday, October 6, 2023.
